

UPDATE

Dear all ,

Despite the monsoon weather like conditions a very good day was had by all at the LSERSA regional race at Aldershot on Sunday 13th May.

All members of Bowles skied really well and Graham did his usual sterling job as official. (Thanks to Fiona).

No photos this time due to weather.

(Not on the day obviously)

Medals were won (In respective age groups) by the following people:

2nd Lucy Steven 2nd Simon Everitt 3rd Tim Owens

Some people were dedicated enough to stay for the dual slalom.

More medals were awarded to:

Nick Yates Lucy Steven Simon Everitt

A special mention must go to Caitlin who just missed out on bronze in her age group and it was only her second regional race entry .

It would be fantastic if more of our club members attended these races. We all have a great day and even if you don't want to ski the "official" supporters would love extra help in the vocal department.

Joking aside it is a good opportunity to witness some really excellent skiing.
